1.3 Application

This manual applies to NMSIS.

PAIA provides that a person may only request information in terms of PAIA if the information is required for the exercise or protection of a right. It is important to note that reference to any information or records in this manual does not create any contractual or other right or entitlement to receive such information. Requests for information and the right to access information must be in accordance with the provisions of PAIA, or where relevant, POPIA, section 26 of the Companies Act or other relevant legislation.
